One of the attractive show-windows in Second street was that of Dan Cohen's Shoe Foundry, with its procession of Easter eggs, "bunnies" and what-nots, evolved from the clever brain of cleverer Jim Egnew. It's a cold day in August when Jim can't conjure up something novel.

TELEPHONE No. 43. G. W. GEISEL, OPPOSITE OPERA-HOUSE.

The 5 o'clock song service at the First Presbyterian Church yesterday afternoon was one of the most delightful musicals ever given in the city. The large auditorium was tested to its utmost capacity to accommodate the cultured and refined assemblage. The music was grand and thoroughly appreciated. Those who failed to hear the concert missed a rare musical treat.

Policemen Wallace and Ryan raided a colored gambling den in Grave alley in the rear of the M. E. Church, South, Saturday night and captured the whole outfit—four men, gambling paraphernalia and \$53 belonging to the bank. They were allowed to give bail in the sum of \$100 each for their appearance before Judge Whitaker Tuesday afternoon at 2 o'clock. Doc is certainly making it a little lively for the boys since he joined the force.

The presentation ceremony will take place tonight.

Mrs. J. Foster Barbour and her family of lovely daughters entertained in a delightful manner at their hospitable home Saturday afternoon.

The tea was in honor of Mrs. Barbour's cousins, Mrs. D. D. Dickey and daughter, Helen, of Cleveland, and Miss Dickey of Pittsburgh.

SATURDAY'S THRONGS

How Easter and Pretty Weather Brought Out the Buyers

The many country people to be seen on the streets Saturday was a feast to the eye that carried one back to ante-bellum days when Saturday was taken somewhat as a holiday and the quality folks and colored people flocked to town to do their shopping and enjoy a temporary change from rural to city life.

The beautiful spring goods exposed to view in the show windows of our merchants attracted attention and crowded the stores with buyers that continued all through the day.

At night the city shoppers thronged the stores and not until after 9 o'clock did the tired and hard worked clerks scarcely find a breathing spell.

The drygoods stores, millinery stores, shoe stores, groceries, meat shops and all classes of trade had a prosperous and busy day, in fact, the best for a long, long time.

THE Philadelphia Press asks, "Is a woman's kiss worth \$50,000?" That depends largely on the kisser—or the kisseress.

THE Snivel Service Commission says it wants 29 Assistant Paymasters for the Navy. Applicants must be able to hop twelve feet on the left foot and count forty-six with the eyes shut. It isn't at all necessary that they know a dollar-bill from a dray-pin.

THE Times-Star says the Socialists of Italy seem to have succeeded in developing their propaganda in that country to its full limits of the ridiculous. Italy, it will be remembered, enjoys those inestimable blessings of National ownership of the railways of which our American Socialists—open or disguised—are so overfond of telling us on every occasion. Even this situation, however, does not seem to have satisfied the desire of socialism in Italy for eternal change and turmoil.

Having scored serious losses in an appeal to the Italian electorate a few months ago, the leaders of the Socialist propaganda in that country have adopted another method of forcing themselves upon the notice of their countrymen. With a zeal characteristic of Socialists the world over, they have determined to rule Italy, whether the people of Italy want them to rule or not. Under their secret or

open leadership a great strike has been organized on the Italian State Railways. This strike is just now passing through its early stages. Throughout the entire length and breadth of Italy the railways are today guarded by cavalry patrols, the city depots are infantry camps, and moving trains are heavily guarded by soldiers. Engineers from the Navy are running the locomotives, and there is talk of declaring the strikers guilty of high treason because they have conspired against their employer, the state.

There is a double-edged moral for Americans in the present experience of Italy with her Government-owned railways. In the first place, this experience shows that, contrary to the teachings of BRYAN and his fellows, Government ownership of the railways is not exactly a sure cure for all the ills to which our modern industrial civilization is subject. In the second place, it shows what a small chance of success organized labor has in conflict with the authorities of a Government-owned railway. Under that system of individualism, under which the American people have prospered so wonderfully, an individual or a combination of individuals, if the condition of his or their employment are not satisfactory, can endeavor to better their condition by quitting work or adopting other lawful methods of forcing their employers to make concessions. Not so in Italy, with her semi-socialistic system of National ownership of the railways. The Italian railway strikers are in danger today of being put in a position in which some would-be strikers in Australia found themselves a short time ago—that of traitors to their country if they were shown to have conspired against the state control of the state-owned railroads.

Italy has given some interesting object lessons as to the character of Socialism during the past few years. Apparently it will give us a few more of the same sort before many more months have gone by.

"DO IT TO-DAY!"

"And to think that ten months ago I looked like this! I owe it to German Syrup."
"The time-worn innuendo, 'Never put off 'til to-morrow what you can do to-day,' is now generally presented in this form: 'Do it to-day!' That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. At all druggists.

"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from."
Printers' Ink knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good. We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get onto our presses. No press in the country can better our printing and we want you to know it. HAVE THE DAVIS PRINTING HOUSE PRINT IT. PUBLIC LEDGER BUILDING.

IN CHILDHOOD AND OLD AGE

Vinol Proves a Blessing.

Mrs. M. P. Allen of Dixon, Tenn., 73 years of age, and a member of one of our oldest and best families of the South, writes:

"For years I suffered with a chronic cough, loss of strength and general debility, and a good part of the time was confined to my bed. I had doctored and taken many medicines without benefit. At last Vinol was recommended and I tried it. After taking three bottles my cough was entirely cured, my strength returned, I have gained flesh, and am feeling younger and better than I have for years. It is for this reason that I take pleasure in recommending Vinol as the best medicine in the world for coughs, lung troubles and to create health and strength."

MRS. M. P. ALLEN AND GRAND-DAUGHTER.

Our local druggist, Mr. John C. Pecor, says there is no other medicine in the world equal to Vinol for old people, weak women and puny, ailing children, as Vinol makes pure, rich, red blood and creates health and strength so rapidly.

Mr. Pecor says it is such unquestionable testimony as the above, together with the knowledge of what this remarkable medicine contains that enables them to agree to refund money in every case where Vinol fails to give satisfaction.

Vinol is not a patent medicine, but it contains in a concentrated form all of the curative, body-building and strength-creating elements of cod liver oil, but without oil or grease to upset the stomach and retard its work.

Vinol gives you a hearty appetite. It does more—it tones up the stomach—it makes pure, rich, red blood; it strengthens every organ in the body; it repairs and builds up worn tissues and checks the natural decline.

Vinol is the best remedy known to medicine for weak lungs, chronic coughs and colds. I wish every aged person, every weak woman, every mother in Maysville who has a puny, ailing child would try Vinol on our guarantee to return their money if it fails. JOHN C. PECOR, Druggist.

IMPORTANT DECISION

Some Things That a Fool Legislature
Can't Lawfully Do.

The legal status of legislation regulating the hours of labor has now been definitely determined through the decision of the Federal Supreme Court upon the New York law making ten hours a day's labor and sixty hours a week's work in bakeries. The Court some years ago, in a Kansas City case, says The Times-Star, decided that the Legislature had the right to regulate the hours of employment upon public labor. It now decides the point left untouched upon then—the right of a Legislature to restrict the hours of labor in private employment. It decided that such an action is contrary to the Constitution. Justice Peckham says in his opinion—

"The statute necessarily interferes with the right of contract between the employer and employee concerning the number of hours which the latter may labor. The general right to make a contract in relation to his business is a part of the liberty of the individual protected by the Fourteenth Amendment. Under that provision no state can deprive any person of

life, liberty or property without due process of law. The right to purchase or sell labor is part of the liberty protected by this Amendment unless there are circumstances which exclude that right. There are, however, certain powers existing in the sovereignty of each of the states of the Union, somewhat vaguely termed police powers. These powers, broadly stated and without any attempt at a more specific limitation, relate to the safety of health, morals and the general welfare of the public. Both property and liberty are held on such reasonable conditions as may be imposed by the governing powers of the state in the exercise of these powers and with such condition the Fourteenth Amendment was not designated to interfere. The state, therefore, has no power to prevent any individual from making certain kinds of the contracts, and in regard to them the Federal Constitution offers no protection."

The dissenting opinions were not based upon the direct issue, but upon the province of the Court to pass upon the question, several of the Judges holding that it was solely a question for the Legislatures of the states to determine, and not involving any Federal question.

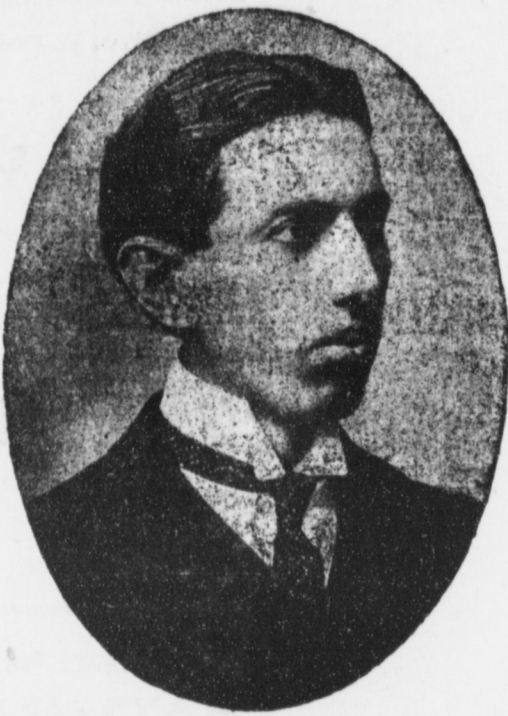

The decision is one of widespread importance and was generally foreshadowed in the Kansas City case.

KIDNEY TROUBLES

Increasing Among Women, But Sufferers Need Not Despair

THE BEST ADVICE IS FREE

Of all the diseases known, with which the female organism is afflicted, kidney disease is the most fatal, and statistics show that this disease is on the increase among women.

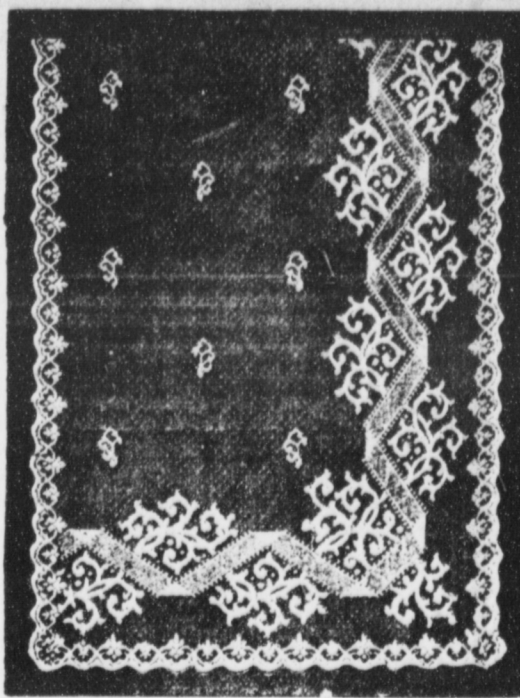

Unless early and correct treatment is applied the patient seldom survives when once the disease is fastened upon her. Lydia E. Pinkham's Vegetable Compound is the most efficient treatment for kidney troubles of women, and is the only medicine especially prepared for this purpose.

When a woman is troubled with pain or weight in loins, backache, frequent, painful or scalding urination, swelling of limbs or feet, swelling under the eyes, an uneasy, tired feeling in the region of the kidneys or notices a brick-dust sediment in the urine, she should lose no time in commencing treatment with Lydia E. Pinkham's Vegetable Compound, as it may be the means of saving her life.

For proof, read what Lydia E. Pinkham's Vegetable Compound did for Mrs. Sawyer.

"I cannot express the terrible suffering I had to endure. A derangement of the female organs developed nervous prostration and a serious kidney trouble. The doctor attended me for a year, but I kept getting worse, until I was unable to do anything, and I made up my mind I could not live. I finally decided to try Lydia E. Pinkham's Vegetable Compound as a last resort, and I am to-day a well woman. I cannot praise it too highly, and I tell every suffering woman about my case." Mrs. Emma Sawyer, Conyers, Ga.

Mrs. Pinkham gives free advice to women; address in confidence, Lynn, Mass.

It is Economy to Buy **The Best**

Especially when buying seeds to plant and supplies for your table. I have just opened up a very large invoice of

D. M. Ferry's Garden and Melon SEEDS

Known the world over to be the best. When you buy them you make no mistake; also, a big supply of

PURE NORTHERN SEED POTATOES

Grown especially for seed; also, Onion Sets, white and yellow. Special prices to dealers and large growers on all the above-named goods.

SPECIAL CUT PRICES ON CANNED GOODS continue. Keep the old line by it. In addition I have just gotten a lot of Damson Plums in three-pound cans; very fine; as long as they last they go at 8c a can for 25c. At the price they are dirt cheap. A few barrels of Fancy New Crop Molasses left; as long as they last they go at 15c. Every one who has bought my fine Blended Coffee is more than pleased. They still go at 15c, 20c and 25c; no money for me at that, but a snap for you. My stock of Green Coffee and Fine Teas is always full and up-to-date. And when it comes to flour, Perfection has no competitor. Every barrel guaranteed to be just as recommended. Try a package of Saxon Wheat Food, or a package of Dr. Price's Country Food or Hominy Grits, all very fine. A full supply of Apples, Oranges, Bananas and Lemons at all times. A few barrels only of very fine Greenup County Sorghum left; price as long as they last 40c. Come right along and get the worth of your money in goods, new, fresh and clean and always the best.

Get your seats reserved at once for Mrs. Reid's entertainment at Washington Opera-house tomorrow evening. They are going rapidly and will soon all be gone. It gives promise of being the largest crowd we have had in a long time and a thoroughly enjoyable event. The pianists will be Misses Lida Berry and Florence Rogers, which insure good music. The Orchestra will play also, and it cannot be excelled. Every number on the program will be highly enjoyable. All are anxious to see the young gentlemen. It will be very amusing and novel, as will the "Guess What" by the young ladies. The Park City Daily Times says: "Mrs. Reid's entertainment was decidedly the best ever given in Bowling Green."

The same program, with many additional attractions, will be given here. Don't miss it. Seats at Ray's Drugstore.

CAN'T BE SEPARATED

Some Maysville People Have Learned How to Get Rid of Both

Backache and kidney ache are twin brothers. You can't separate them. And you can't get rid of the backache until you cure the kidney ache. If the kidneys are well and strong, the rest of the system is pretty sure to be in vigorous health.

Doan's Kidney Pills make strong, healthy kidneys.

Mrs. J. B. Gibson, of 22 East Fourth street, Maysville, Ky., says:

"The prompt and thorough action of Doan's Kidney Pills should recommend them to every one suffering from backache or kidney troubles. I have known the value of this remedy for several years. Its use in my case proved to me that it is a reliable kidney cure and cannot be excelled for backache or weakness of the kidneys. I have recommended Doan's Kidney Pills before and I should advise every sufferer to get a supply at J. Jas. Wood & Son's Drugstore and try them."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.
